

## Men's Linen

In no article is inferior starching so conspicuous as in men's linen. Launderesses who excel in this difficult branch—who make their work equal to that of the famous French laundries—owe their success to the genuine

**KINGSFORD'S  
OSEWEGO  
Silver Gloss Starch**

Begin next wash day to use it. The peculiar properties of this wonderful starch insure a superior, unusually pliable, beautiful, snowy finish, not only on men's linen but on every garment or article where faultless work is essential. Prevents linen from turning yellow. The standard of quality for over half a century.

**BEST FOR ALL KINDS OF STARCHING**

For general use boil as directed. For light starching unequalled as a cold-water starch, requiring no boiling. Made for over fifty years at Osewego. All grocers, full weight packages.

**T. KINGSFORD & SON, Osewego, N. Y.  
National Starch Co., Successors.**

## ARM IS TORN FROM SOCKET

**Terrible Accident in the Erie Yards.**

**CAUGHT IN MACHINERY**

**Engineer Douglas Seriously Injured.**

**Was Oiling His Engine When Helper Started up—Arm is Amputated at the Shoulder.**

Charles Douglas, a locomotive engineer in the employ of the Erie road, was the victim of a horrible accident Thursday morning about eleven o'clock in the Erie yards. As a result Mr. Douglas had his right arm torn from the socket and his head badly bruised.

It appears that Engineer Douglas was oiling his engine while it was

standing in the yards, and had his right arm extended through one of the rear wheels, in the process of oiling the inner side of the wheels.

His helper was standing near by, and not knowing that Mr. Douglas had his hand through the wheel, started the engine. As a result the arm was crushed and torn in a frightful manner and the left arm cut and badly bruised.

The injured man was transferred to the Sawyer Sanatorium in the Hess ambulance. Dr. Carl Sawyer attended him and found it necessary to amputate the right arm at the shoulder. The attending physicians hope to save the left arm although it may prove necessary to also amputate that member.

### STRUCK BY LIGHTNING

**Three Horses Killed During the Storm Wednesday.**

During the severe electric storm, which passed over the county Wednesday afternoon, A. H. Dunbar, a farmer residing east of Prospect, had three fine young horses killed by a bolt of lightning.

The animals were in a pasture field, and when the storm came up, took shelter under a large oak tree. A heavy bolt shattered the tree, instantly killing the colts.

Dance tonight in Schwinger's pavilion.

### UNCLAIMED LETTERS

List of unclaimed letters for week ending July 23, 1907.

## PYTHIANS HOLD OUTING

**Spend Day at the Glenmary Park.**

**J. PLUVE GETS BUSY**

**Stops the Ball Game With Score Tied.**

**Dancing was in Order During the Evening—Fred Snider Meets with an Accident.**

The first annual picnic of Marion Lodge, No. 402, Knights of Pythias, held at Glenmary Park, near Columbus, Wednesday afternoon and evening, was a success in every way. About 100 people enjoyed the outing.

One of the principal features of the picnic was to have been a ball game between the married and single men of the lodge, but a drizzling rain which fell during the afternoon made it possible to play only three innings and a half. The rain prevented the pickers from witnessing what little of the game which did take place.

The married men made the only run of the game in the first half of the fourth inning, this one being scored by Fred W. Warner. The downpour kept the single men from playing their half of the fourth, so that the score went back to the third inning and left the result a tie. The married men are claiming the victory on the belief that they could easily have prevented the unmarried outfit from scoring had the last half of the fourth been played.

The line-ups of the two teams follow:

Married Men—Curtis, c; Jacoby, p; Geran, 1b; Cass, 2b; Davidson, ss; Snyder, 3b; Ples, lf; Smith, cf; Warner, rf.

Single Men—H. Mickley, c; P. Mickley, p; Myers, ss; Schoenlaub, 1b; Kerr, 2b; Crim, 3b; Battenstein, lf; Cleveland, cf; Howe, rf.

The greater part of the evening was taken up with dancing, music being furnished by a six-piece Marion orchestra.

A special C. D. & M. car carried the pickers to and from the park, leaving the city at 1:30 in the afternoon and returning reaching home at midnight.

The only mishap of the day was an accident which befell Fred Snider, who had his right hand badly cut by a broken pop bottle. He went to Worthington, where a physician dressed his injury.

The committee in charge of general arrangements for the outing was made up of S. H. DeLong, Fred Snider and S. R. Reber.

There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surface of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

Address, F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

## HUNDREDS WITNESS ECLIPSE OF MOON

**Only Eclipse of Year is Carefully Studied.**

**Local Students of Science Gave Attention to the Interesting Sight.**

Hundreds of Marion residents could be seen gazing skyward last evening, for it was the first occasion this year, and will be the last when Luna partially hid her smiling face from the people of this country.

Its being the only lunar eclipse of the year 1907 caused many students of science, and especially the astronomers, to give the phenomenon their most careful attention.

Only two-thirds of the moon's surface was covered by the eclipse, although at times the clouds almost hid it from view. The moon entered the penumbra at approximately 7:59 p. m. At 8:04 it entered the umbra, or shadow. The middle of the eclipse was passed at 10:22. The moon left the umbra at 11:41 and at 12:46 Thursday morning it was all right again. The moon rose early Wednesday

evening in preparation for the great event. It reached its zenith at 10:39 and at 3:55 Thursday morning it set.

### ANNUAL PICNIC

**Held by Sunday School of Prot. Salem's Church.**

The Sunday school classes of the Protestant Salem church enjoyed a picnic at the fairground Wednesday afternoon and evening. Over two hundred Sunday school children were in attendance, together with their parents and friends.

The afternoon was spent in outdoor games and social diversions. In the evening a splendid picnic supper was served.

### ASK YOUR DRUGGIST ABOUT MEDICINES

When it is a question of foods and groceries, ask your grocer for he is an authority on that line of goods. When it is a case of sickness and medicine is required, you had better consult your druggist. He has spent years in the study of medicines and their effects upon the human system, and knows from practical experience just what to expect from any particular treatment.

Druggists recommend the original Dr. A. W. Chase's Medicine, not only because of the known skill and integrity of the famous author of Dr. A. W. Chase's Receipt Book, but also because they know of so many cases in which his medicines have brought about remarkable cures.

They will show you the portrait and signature of Dr. A. W. Chase on the box you buy, so that you may be sure you are getting the genuine and not an imitation.

### YOUNG'S TEAM WINS CHAMPIONSHIP

**Mickley's Stars Make Very Bad Finish.**

**Teams of Geran and Fies Have the Hardest Fight of the Season.**

The final scheduled games of the Y. M. C. A. summer volley ball league were played in the Association gymnasium last evening. The contests were the most exciting of the season and many surprises were sprung. Mickley's aggregation needed one game to capture the championship pennant, but that was the one game which Young's team saw that they didn't get. Mickley's team was over eager to win and played like amateurs losing three straight games and the championship which they thought they had clinched. Scores: Young—18, 18; Mickley—14, 9, 12.

Fies and Geran's teams were next to combat and a battle royal followed. The latter tea mwas a little off color and Fies won two out of three. Scores: Fies—3, 18, 18; Geran—18, 15, 15.

Despite the fact that volley ball is the most popular game played in the Y. M. C. A., another league will not be formed, owing to the prevailing hot weather. However, early in the fall, the ball will be started rolling again and the game will undoubtedly be as popular as ever.

In the league closing last night, the team captained by Young won first place, Mickley's team took second, Fies' third and Geran's aggregation won the cellar championship.

### THE MILLIONAIRE GIRL

**You will Fall in Love with Her**

The first installment of a stirring love story was published in last Sunday's issue of the Pittsburg Dispatch. Arthur W. Marchmont, the author, has poured enough intense action, thrilling situations and charming love into this one story to have sufficed for a dozen successful novels. You cannot afford to miss this great story, and if you were not lucky enough to read the first installment, send a postal card to the Dispatch Circulation Department, 1331 Fifth avenue, Pittsburg, Pa., and it will be mailed to you free. Tell your newdealer how to leave the Sunday Dispatch regularly.

### BATHING GIRLS

**Gibson's Pen Drawings in the New York World.**

A series of Charles Dana Gibson's splendid pen drawings, entitled "The Gibson Bathing Girls" will be given with the New York Sunday World beginning July 28. Each Sunday a Gibson picture, on separate sheet of plate paper, size 10x15 inches, will be given to every New York Sunday World reader. Each picture is ready for framing, and fit to decorate any home. Begin Sunday, July 28, and get the set.

Remember the Free Baptist lawn fete tonight, 1609 East Center St. Everyone invited.

## STATEMENTS WERE FALSE

**Dignity of the Pulpit Lowered.**

**MAYOR LEWIS SCHERFF**

**Gently Gets After Evangelist Brooks.**

**Will Treat Evangelist with Respect Although He Has no Confidence in the Man.**

Mayor Scherff, when interviewed regarding the attack made upon him by Evangelist W. T. Brooks at the Central Christian church, Tuesday night, remarked in a humorous way, "It only requires plenty of gas to sail a balloon." Then the city's chief executive proceeded to explain just how much gas the evangelist used in his most recent ascension.

In the course of the conversation the mayor said: "Brooks brothers are in a sense strangers to me. I know nothing of their past. They came to the city as strangers and had scarcely been here a week until they were making statements slanderous to the intelligence of the good people of Marion."

"Mr. Brooks, in his talk which I heard, declared that the people of the city are ignorant. He said that he could not name one literary organization in the city, and yet there are a score or more, which goes to show that the evangelist was making statements about conditions of which he was woefully ignorant."

"Mr. Brooks said that he had a friend purchase the whiskey and other intoxicants from various saloons after closing hours. Mr. Brooks also said that on the following day they would turn the bottled goods over to the mayor, together with all the evidence they had gained. The speaker's brother, who arranges the calling list, promised me, and even set the hour, to call the next morning. These gentlemen have broken every engagement with me and I, as mayor of the city and for many years a resident, know that many of the statements which Mr. Brooks has made in the pulpit are absolutely false. Then why should I have any confidence in the man's evidence which he claims he has produced regarding the purchasing of intoxicants after closing hours."

"It is said the truth itself is not believed from one who often has been deceived. I did not ask Mr. Brooks to get out and hunt up evidence, but talk is cheap without logic, and with logic there must be proof. As for his assertion regarding me being a hard-headed sniner, it is deserving of ignoring. It is very evident that he is 'woefully ignorant or wilfully blind' to the passage of Scripture. 'Judge not, that ye be not judged.'"

"Mr. Brooks has lowered the dignity of the pulpit by expounding personal abuse. As to the man, personally I have nothing to say. If he has placed my name at the bottom of his calling list it is all well and good. But though he calls at my office on his last round, I will treat him with the same respect everybody receives at my hands and I assure him that he will be welcome at any time."

## SMART & WADDELL

**48c**

This week we are making a leader of a lot of women's fine slippers in black suede, black silk, gray silk, brown silk, blue silk and pink silk.

\$2.50 and \$2.25 values at 48c.

Messrs. George Dutton, E. B. Main, Joe McKinstry, Noah Weaver, Clar-

ence Flach, W. Leffler, Joe Thew, accompanied by a score of other local sportsmen, left this morning for northern Michigan, where they will spend fifteen days, camping, hunting and fishing.

## Does Your Watch Keep Good Time?

If not, bring it to us. We make old watches run like new. Our Charges are Reasonable

**G. W. BOWERS**

THE LILY REMEDIES not only represent years of careful study and scientific research on the part of Dr. Ramsey, but they represent all that is best in modern medical knowledge. They are not made from a magical cure-all root discovered in the forest fastness by some fakir from the coral sands of India nor are they dug from miasmatic southern swamps by some hoodoo doctor or charmed over by an Indian medicine man. They are a vegetable preparation, made from those ingredients that science has discovered and actual practice proven are the best possible remedy for the diseases for which they were intended.

DR. W. C. RAMSEY'S SPECIAL PRESCRIPTION for the Cure of Diseases of Women and Other Nervous Diseases. Office Cummin Memorial Building, Suite No. 6 and 7, MRS. CLELLA M. WILSON Manager.
